## Wine & Cheese

It's always hard to say goodbye to our friends each year. But mixing those farewells with a little wine and cheese sure helps.

## 2010-2011 Events

As many of you know Jodi & her husband David have moved to the Grand Cayon area, and we wish them both the very best of luck. But don't worry we plan to continue many of the festivities you have all come to enjoy. We will still be holding poolside bingo and the poker tournament in this coming season. If you haven't already signed up to be in the poker tournament, you can do so by contacting Ruby Daniel. We all look forward to a fun filled year to come...

# Valentine's Day 2010

As always everyone grabbed their sweetie and headed down to pool side to share a great lunch and help Pat Mishler celebrate her birthday. Pat celebrated her 81st year on this earth many of those birthdays were shared with all you and she wouldn't want it any other way.

Sadly, Pat Mishler our Wakulla sweetheart and Valentine's birthday girl passed in June. She will be greatly missed by all of us. But next year she will be spending her birthday with her loving husband Cliff.

Cliff & Pat started the Wakulla in 1972, with their four children Michael, Shelly, Jimmy and Janet. We value what they started and we will strive to continue the same service and attention they gave this hotel and you their valued guests.

## Pictures & Memories

Memories and photos may be all we have left of those days gone by.

But I'd like to revisit some of those great moments in our newsletter. I'm looking for stories of special times you enjoyed here at Wakulla Suites along with some old photos that you would like to share.

You can email them to me (Ruby Daniel) at

please make sure you tell me the names of the people in the photos you send along with the year. They can be from long ago or even this past season. Stories of you and your families stay, times with the Mishler family, ole friends who have passed on or any memorial moment.
